Challenge grant bolsters scholarship endowment

Thanks to a challenge grant from the North Bennet Street School Foundation, the school's scholarship endowment has grown by \$88,888. The grant was provided by the City of Boston through the Mayor's Office of Community Development. The grant was used to purchase additional shares of the endowment fund, which will provide additional financial support for students in need. The grant was awarded to the school in 2007 and will be used over the next several years.
